FOREWORD

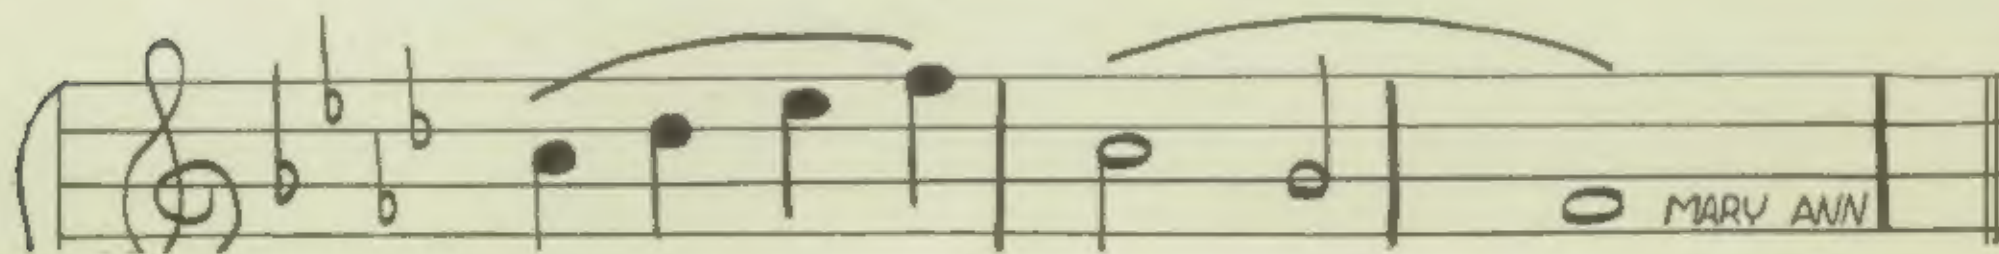

Virginia Beattie, Ramona Schmigel, Caroline Fancher

These youth indicating harmony in music as they stand ready to march forward and up depicts the theme of our book--- Looking Forward. The future of the world depends on the youth of the world taking steps forward to make opportunity, peace, security and brotherhood as internationally accepted and understood as is music.

DEDICATION

MRS. EUNICE HAZLETON

We, the Senior class, in deep appreciation for the patient guidance and understanding given us by our kind and generous home room teacher, and English teacher, do sincerely dedicate our yearbook for 1947 to Mrs. Eunice Hazleton. In all our hearts we will always remember her as being kind and helpful through all trials. We leave the school with warm understanding of our friend and advisor, Mrs. Hazleton.

In looking forward and setting our goals for the future, we are not unmindful of responsibilities which we must assume. Included in our American heritage was the opportunity to attend school from early childhood until the beginning of our adult lives. One of the purposes of this schooling was to give us the knowledges, ideals and skills which we shall need as citizens of a democracy. The responsibilities of American citizenship are greater now than at any other time in our history because of the chaos which exists all over the earth. We hear democracy as a way of life being questioned, not only by people of foreign lands, but some of our own citizens as well.

From our history we know that we have been given the opportunity to develop the kind of existence for which men have struggled throughout the ages. We have learned, also, that since the birth of our democracy great changes have taken place, including the disappearance of our frontiers, a tremendous increase in our population, the transition from a farming country to the most highly industrialized nation on the earth, and the end of our national isolation due to advances in communication and transportation. We believe that one of our duties as citizens will be to accept these changes and to strengthen our democratic form of government by directing its adaptation to them.

We realize, too, that democracy has not been handed to us as a finished product. We observe many signs of growing pains in our national life, which indicate that our task is not only to cherish and protect, but also, to perfect the plan which has been laid out for us, so that no one anywhere can doubt its superiority to any other way of life which men may offer. The foundations of democracy are integrity, idealism, unselfishness and cooperation, and these foundations must be kept firm. We must remember that in a democracy each and every citizen must enjoy its benefits equally, and that what is best for most of its people is best for all the people. Our responsibility requires that we think intelligently, be open-minded, and give freely of our time and energy to participation in civic affairs.

Finally, we will remember that history has many reminders that governments rarely survive indifference and selfishness on the part of their people, and that without our determined efforts democracy will not necessarily continue. Thousands of years passed before our way of life first appeared on the earth, and if we allow it to become extinct, man may never again have the opportunity to make another attempt.

Therefore, in looking forward, we recognize the sacred obligation which is entrusted to us and to all American youth, by our people who have gone before us, and by all mankind who will come after us. We have an inescapable responsibility in fulfilling the Patriots' dream and in making the lamp of freedom shine with an ever brighter and steadier light over this darkening planet. This task we concede to be of far greater importance than our personal ambitions for success.

This is our mission, and we must not fail.

Class History

When we entered the school as Freshmen, our class was large. During the course of this year we concentrated on the educational life we now enjoyed as high school students.

When our Sophomore year began, 36 students organized as a class. With Miss Welch as our advisor, the following officers were elected:

President. Edward Reynolds
 Vice-President. Erma Jean Lawrence
 Secretary-Treasurer. Audrey Berg

Our only active achievement was a dance sponsored by the Freshman and Sophomore classes together. This was indeed successful.

Our Junior year was outstanding too. With Mrs. Hazelton as our advisor, we elected the following officers:

President. Audrey Berg
 Vice-President. John Elch
 Secretary. Doreen Bock
 Treasurer. Elinor Feltshans

Our Junior Prom, the event of the year, with Bill Bird's orchestra and blue-bird decorations, was a thrilling highlight. At football games we sold pop and hot dogs, and this scheme was also successful. By now our treasury was growing larger, and our hopes of a prosperous Senior year were good.

As Seniors we are doing pretty well except that our class has diminished to 26. When September started we elected officers, with Mrs. Hazelton as our advisor.

President. Irene Peterson
 Vice-President. Loren Smith
 Secretary. Audrey Berg
 Treasurer. Gwendolyn Day

The Magazine Campaign started out the year, but the biggest event was the ordering of the rings which, after long weeks of waiting, we received in December in time for Christmas. Our play, "Ma's New Husband," was in November. Our first dance was also in November, at which Danny Martino furnished the music. Dick Lecksell's orchestra played for the Senior Ball in February.

We have indeed enjoyed the opportunities and privileges given us and hope that classes in the future will be rewarded in the same way.

In our Freshman year we took part in a Freshman-Sophomore Dance with Edward Reynolds as the chairman.

The next year we were joined by the East Pembroke freshmen, who increased our class to fifty-five students.

During our Junior year we elected the following class officers: Robert Ingraham, President; Norman Havens, Vice-President; Marianne McNicholl, Secretary-Treasurer. We started collecting dues to increase our treasury and decrease some of the costs of the Senior year. Mr. Van Ornum is our class advisor. Our Junior Prom was held May 9th.

Also the school newspaper "The School Daze" was published by the Junior Class. We hope that this will start a tradition for future Junior classes. The staff of the paper is as follows:

ROBERT INGRAHAM
President

MARIANNE McNICHOLL
Secretary - Treasurer

NORMAN HAVENS

This year the East Pembroke pupils joined us. We have been active in sports, band and choir. Twenty-six class members belong to Senior Band and eight belong to dance band. There are a few who are going to play solos at the contest. The are: John Preston, Bruce Klotzbach, Alice Meiser, and Mary Ann Ottaviani. Betty Tuchols is an active cheerleader. Many of the girls have joined the Library Club under the direction of Mr. Graham.

The boys have played an important part in the destiny of Corfu Central Athletic Teams so far in 1946-47 and will continue to do so until graduation time arrives.

John Fitzgerald and Dean Tupper played leading parts on the football team, while Robert Lega played in most of the games. Bruce Klotzbach was an assistant manager.

Fitzgerald was the only Sophomore on the Varsity Basketball team, but the Junior Varsity Squad was made up largely of Sophomores. These included Gerald Bartholf, Robert Lega, Lee Stimson, John Preston, Bruce Klotzbach, and Richard Colby. William Livingston was an assistant manager.

Likely Sophomore prospects for baseball include: Lega and Fitzgerald as pitchers and Colby as outfielder. Other candidates for this year's team include: Preston, Stimson, B. Klotzbach, Tupper, Calnan and Wiltberger.

Many Sophomre boys have track possibilities but whether or not they have developed far enough at this time to earn their track "C" remains to be seen.

Our class was organized March 19, 1947. There were 45 in the beginning of the year and now we have only 34. We pay much sympathy and memory to Rosemary Stolten who passed away from our class November 29, 1946.

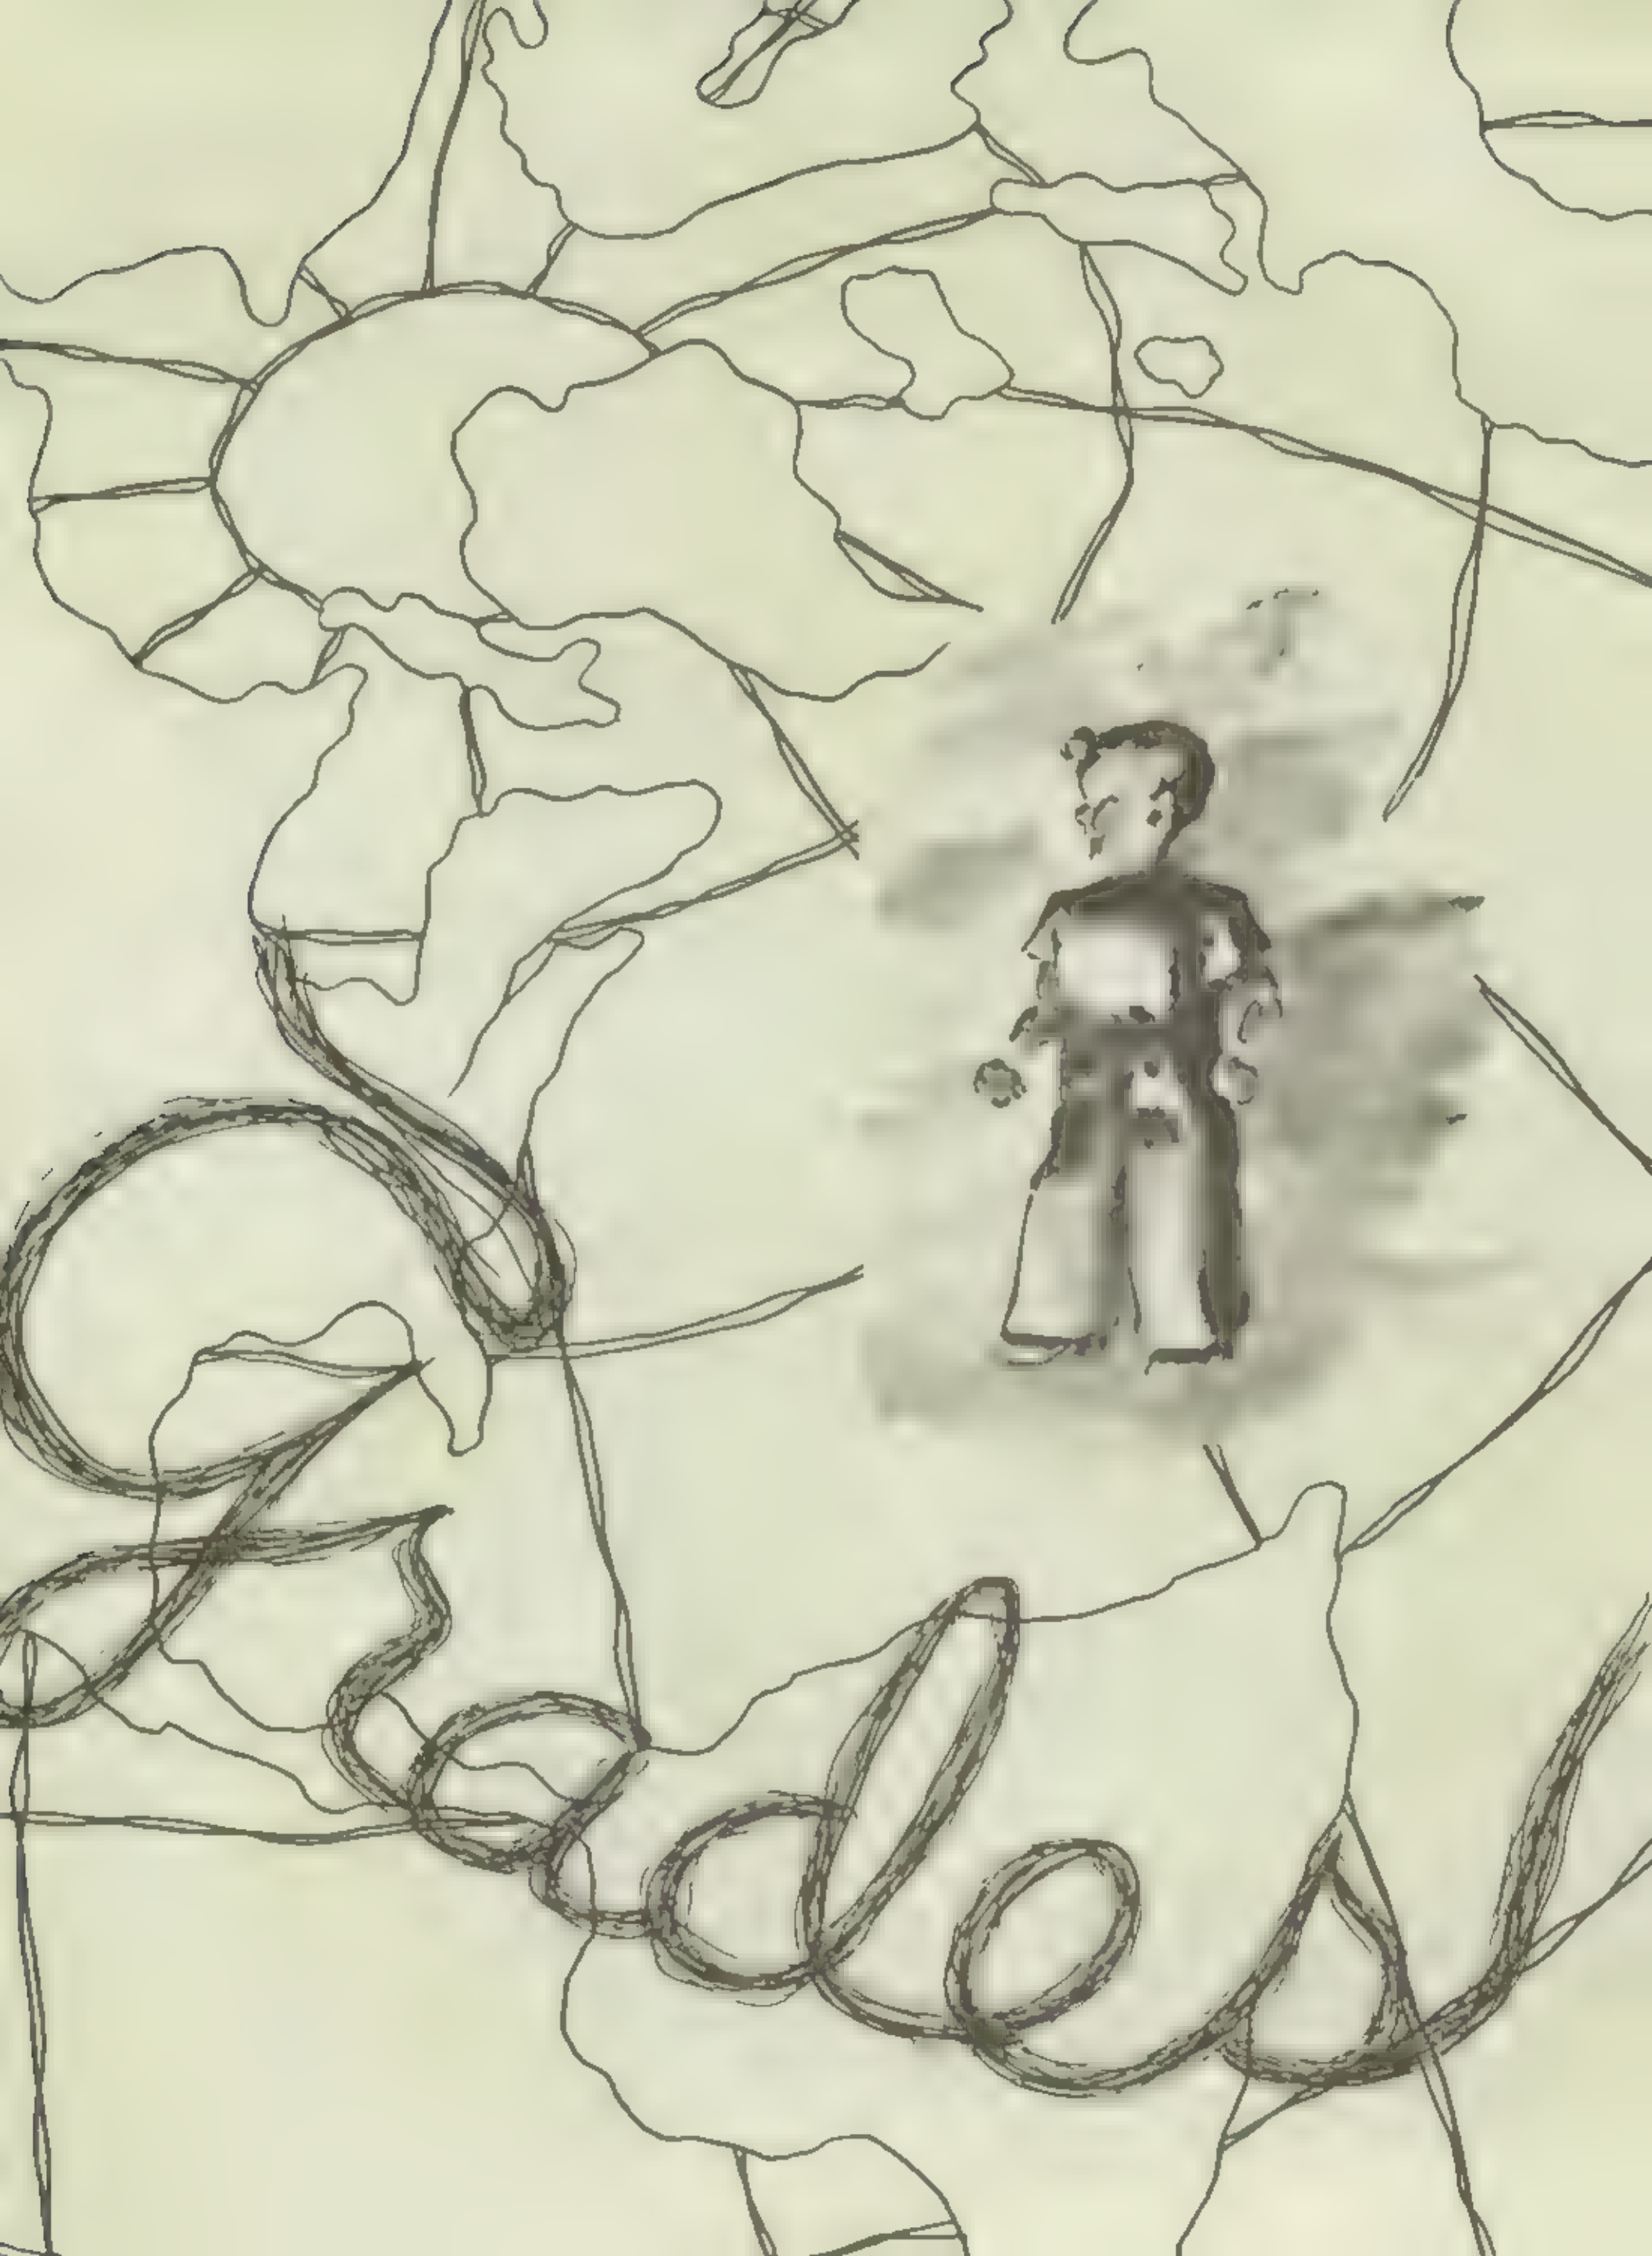

We elected class officers as follows: Andrew Kjeldgaard, President, Florence Skeet, Vice-President, Charles Herman, Secretary, and Marion Cook, Treasurer.

Several members of our class are outstanding in sports; of these, in Basketball. Andy Kjeldgaard chalked up 149 points, Chuck Kellogg 147 points, and Charles Herman 49 points. Florence Skeet was outstanding in girls' Basketball. Other members of the class who hold positions in sports are Christine Peterson, Captain of Ping Pong, Marion Cook, Captain of Archery, Anna Seweryniak, Captain of Softball. Those participating in Girls' Leadership are: Anna Seweryniak, Christine Peterson, and Clara Vandenberg.

We miss the following members of our class and wish them the best of luck in their classes:

CHEER LEADERS

Left to Right: B. Tuchs, G. Day, C. Vickery, M. Gerbracht, E. Lawrence, S. Schwerthoffer, D. Sack.

This year's cheer-leading group, led by Erma Jean Lawrence, made a commendable showing at the basketball games and home football games. The squad showed plenty of pep and developed many attractive patterns to bring cheers from the local cheering section.

FOOTBALL

BRADY

TUPPER

Although the sport was new this past fall, Corfu Central can claim title to the Genesee-Orleans League Six-Man Football Championship by virtue of two victories over Elba Central, the only other school in the league competing in six-man football. Scores and highlights of the season's games were as follows:

Corfu 18 -- Lyndonville 0 at Corfu. Corfu had too much for the visitors from the north Lyle Tupper scored on an end run in the first quarter Muskopf drop-kicked the extra points Brade broke into the open to receive a pass from Muskopf and scored in the second quarter This time Brade drop-kicked the extra points The second half was a defensive stalemate with neither team able to hit pay-dirt. Eddie Reynolds at center was the defensive star of the game.

Corfu 43 -- Elba 13 at Corfu. The local gridmen were "hot" for this one. Elba scored first on a cutback play and passed successfully for the extra point. Fitzgerald scored two successive touchdowns and end runs. Lyle Tupper repeated on the same play. Elba opened the second half with a touchdown on a sleeper pass play. From then on it was all Corfu. Eich scored on a pass from Muskopf. Brade dodged the entire Elba team to score on a cutback through the line. Brade and Tupper scored an intercepted passes. Ends Eich and Dean Tupper made numerous tackles behind the Elba line of scrimmage.

Corfu 14 -- Alden 32 at Corfu. Alden's fine and much-experienced team showed the Corfu boys a few tricks that they had not seen before. Alden opened the scoring in the second quarter on a spinner play into the line. Lyle Tupper scored just before the half on an intercepted pass. Muskopf drop-kicked the after points. The third quarter found the Corfu defense running in circles trying to solve Alden's tricky spinner attack. Brade made the only Corfu score during the second half--a result of shifty ball-carrying on a cutback play.

PUNT FORMATION

LEFT TO RIGHT: RICHARD SHARICK, BOB LIVINGSTON, BOB LEGA, JERRY BRADE, ANDREW KJELDGAARD, RAYMOND EGLOFF

Corfu 34 -- Elba 13 at Elba. Game played in mud and during a downpour of rain. Scoring began with Fitzgerald faking an end run and then passing a "long one" to Dean Tupper who went over the goal line after a short run. Lyle Tupper scored thrice the first half--twice on end runs and once on a cutback play. Third quarter found Elba scoring on a pass play while Brade scored touchdowns via intercepted Elba pass and cutback. Swartz of Elba was responsible for the last scores--a cutback for a touchdown and a pass to Crane for the after-point. Ray Egloff made a pair of fine tackles in the muddy area of the field.

Corfu 13 -- Alden 19 at Alden. Corfu nearly upset the highly-favored Alden team this time. Corfu had the ball most of the time, made the most yards, and the most first downs, but fumbles of the wet ball proved costly and lady luck smiled on the home team. No scoring was done during the second half of play. Gerould and Fitzgerald broke up many of Alden's offensive plays. Alden scored on a spinner play, a long pass and an end run. Corfu scored on a line buck by Fitzgerald and a short pass--Muskopf to Gerould.

Corfu 8 -- Lyndonville 14 at Lyndonville. A most unsatisfactory game--inexperienced and inadequate officiating, muddy field, and practically all of the last quarter palyed in darkness. . . . Corfu opened by scoring a safety (2 points) as result of a Lyndonville player being tackled behind his own goal line. . . . Lyle Tupper scored on a buck through the line in the second quarter. . . . Lyndonville scored on a long pass and by a line plunge in the third quarter. . . . One after-point try by drop-kick was successful. . . . Corfu had possession of the ball practically all of the last quarter but could not cash in.

1st Row. Eich (RE), Sharick (RE), Livingston (C), Gerould (C), Reynolds (C), Calnan (C), D. Tupper (LE), Worth(LE)
 2nd Row: Fauth (mgr.), K. Klotzbach (B), Kjeldgaard (QB), Lega (FB), Fitzgerald (FB), Captain L. Tupper (HB), Brade (HB), Muskopf (QB), Egloff (LE), B. Klotzbach (Mgr.)

The 1946-47 Varsity started slowly, faded before half of the season was completed and then caught fire to win seven of the last nine games. Undefeated Alexander Central was the only opponent to show definite superiority over the purple and white. Victories were registered over South Byron, Kendall, Bergen, Elba, Wyoming, Alden and Lyndonville. Edward Thornley, returning veteran, showed that he had lost none of his 1944-45 basketball offensive skill by scoring 226 points--second highest individual total in Corfu Basketball history.

Seated: M. McNicholl (Mgr.), P. Schurr (Mgr.)
 Seated: A. Spiotta, C. Herman, B. Lega, A. Kjeldgaard, R. Colby, C. Kellogg.
 Standing: J. Preston, G. Klotzbach, A. Gerould, B. Klotzbach, L. Stimson, G. Bartholf.

JUNIOR

VARSITY

COACH CHOATE

The Junior Varsity won eleven while losing seven--five of the losses being by five points or less. Freshmen Kjeldgaard and Kellogg provided most of the team's scoring punch with 149 and 147 points respectively. Other members of the squad to score regularly included. Lega (62), Herman (42), and Spiotta (42).

Seated Muskopf (OF-P), L. Tupper (SS), Fitzgerald (OF-P), Robb (2B-OF), Captain H. Votry (C), R. Votry (IB), Fincher (OF), Dillon (OF).
 Standing Brade (2B), D. Tupper (OF), Ingraham (OF), Livingston (OF), Richenberg (OF), Lega (P), R. Colby (OF), Eich (2B-SS), A. Colby (OF), Splotta (P).
 (Missing when picture was taken) Schramm (OF), Bock (IF).

The 1946 Corfu Central School baseball team were the Class B Champions of the Genesee-Orleans League. The objective game with Alexander Central was won, ten to nine, in a thrilling contest that credited Bob Lega with some fine relief twirling while his team mates came from behind with timely hits and fine catches to clinch the victory. Corfu was eliminated in Section V play-offs by the strong Caledonia High School team by a score of thirteen to five.

Dick Votry batted .524 and Robb with an average of .405, were the team's leading hitters while regulars Howard Votry, Lyle Tupper, Muskopf and Fincher also hit .400 or more. Freshmen Lega and Fitzgerald proved to be the most effective pitchers even though their wildness and inexperience were costly at times.

The 1947 team, although without the services of four lettermen from 1946, should enjoy another fine season with pitchers Lega, Fitzgerald, Muskopf, and Splotta available with one season's experience behind them and a number of replacements with some experience coming along to fill the gaps left by graduation.

VARSITY TRACK

Seated: Ogorzaly, Eich, Zavits, Smallman, L. Tupper, Fauth, Worth, D. Tupper, Muskopf.
Standing Bock, H. Votry, Robb, Fitzgerald, Clark, Dillon, R. Votry, Letson, (Honorary Captain) Dean Fincher.

In 1946, Corfu Central School regained the Genesee-Orleans League Track Title that it had won in 1943 and in 1944. The Corfu trackmen over-whelmed all opposition in winning and scored twenty-five points more than their nearest competitor.

First places were won by Smallman and Fincher (high jump tie); R. Votry (shot put); Dillon (880 yards); Robb (discus); and by the relay team consisting of L. Tupper, H. Votry, Muskopf, and R. Votry.

Second places were taken by Worth (100yards and 220 yards), Letson (shot put); L. Tupper (pole vault); and Clark (discus).

Half of the 1946 Championship Squad will not be available for the 1947 season but it is hoped that some promising Freshmen and Sophomores will develop to combine with the available lettermen to produce another formidable track aggregation for Corfu Central.

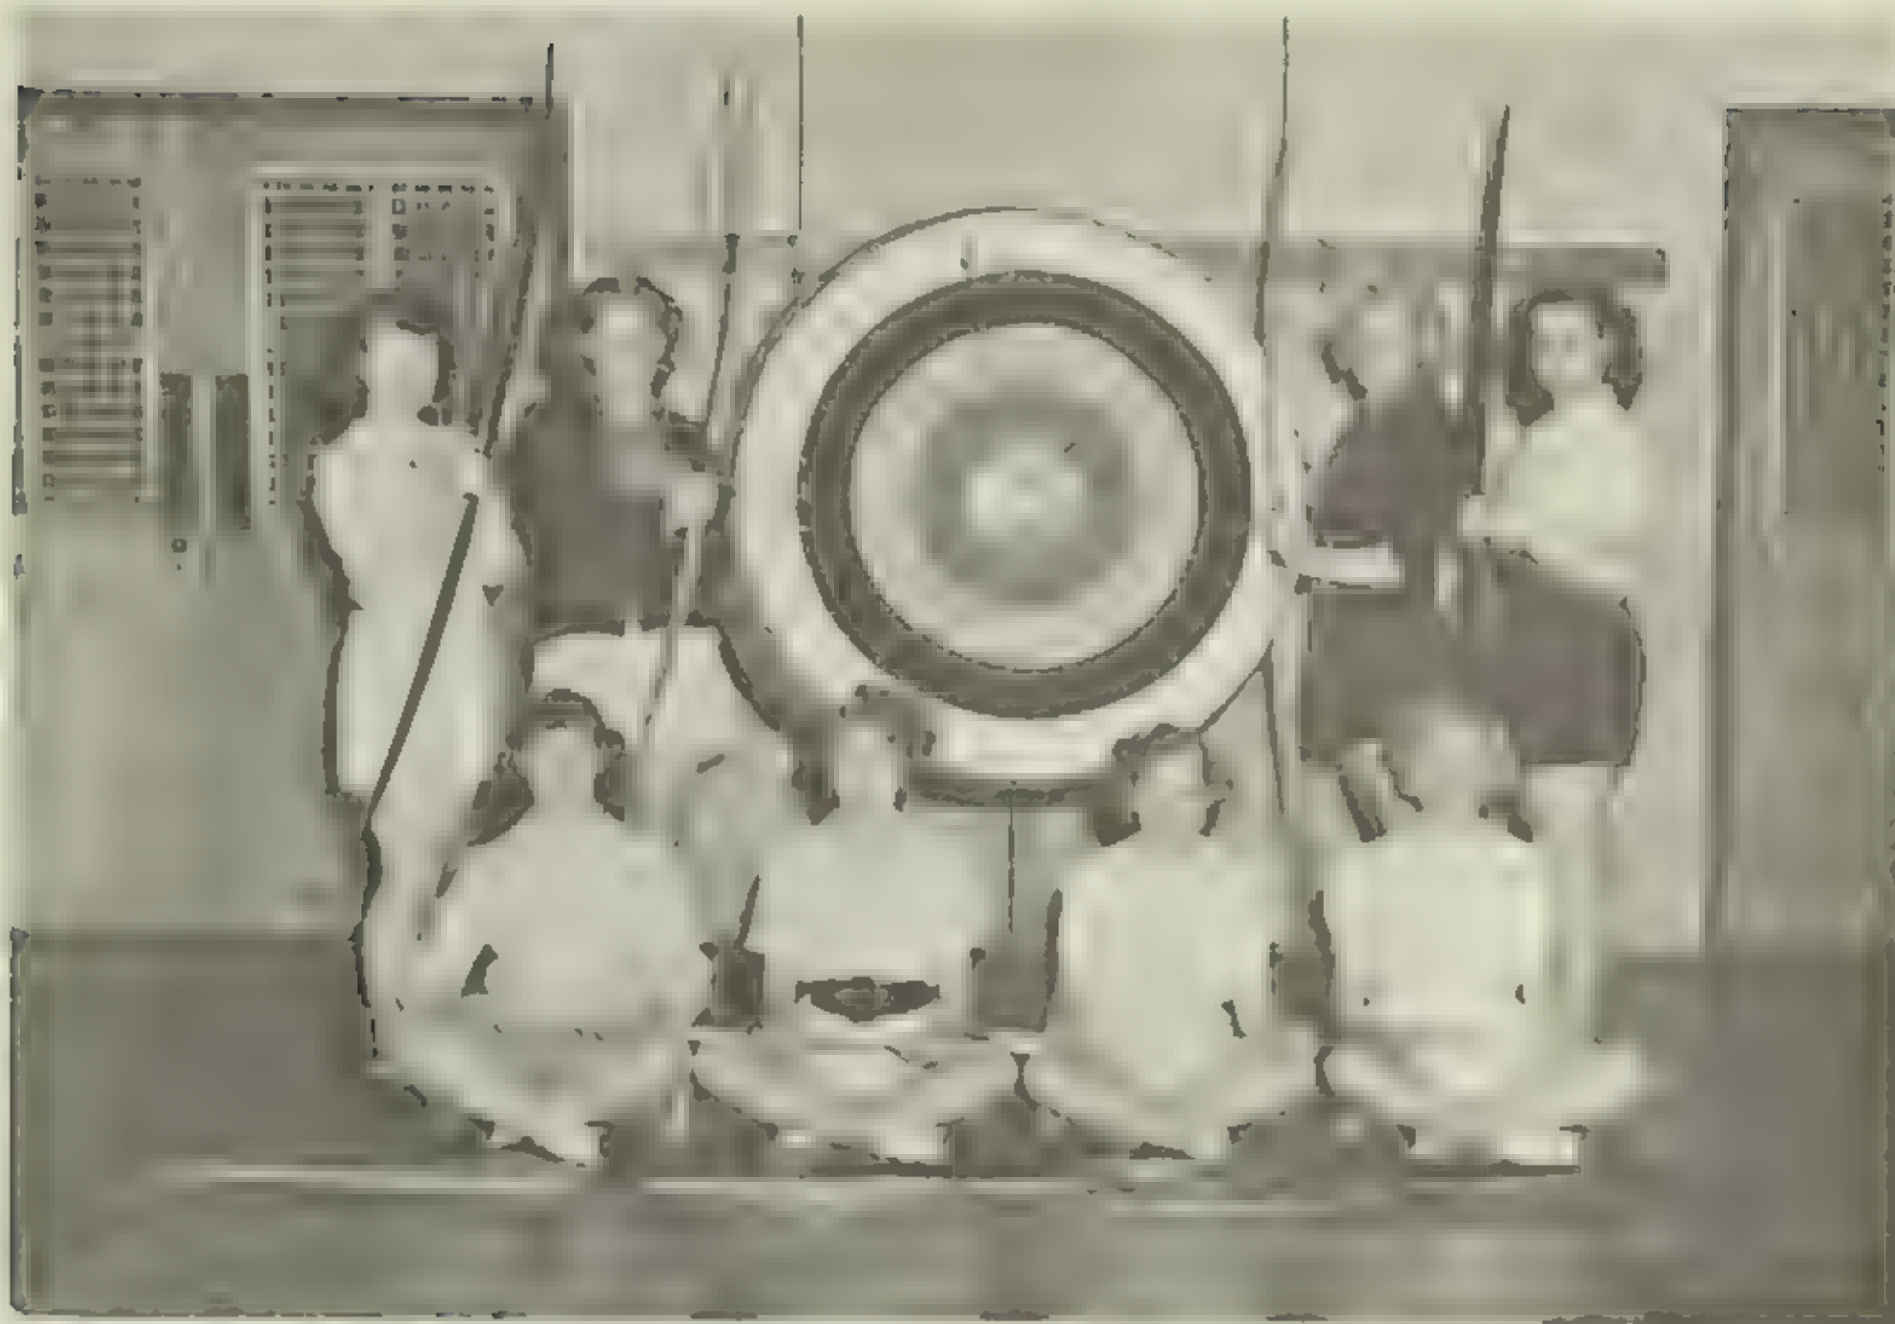

GIRLS LEADERSHIP CORPS

Seated: B. Sack, C. Peterson, A. Seweryniak, L. Cherry, D. Bock, S. Fitzgerald, B. Tuchols.
Standing 1st Row: B. Hamilton, E. Lawrence, J. Vandenberg, J. Klotzbach, E. Capwell, C. Vandenberg, I. Peterson.
Standing 2nd Row: M. Ottaviani, E. Jamison, P. Oberlander, F. Skeet, N. Clute, E. Ingraham, A. Calnan.

The girls in Gym Leadership have again done a fine job in assisting with the girls' physical education program. As a result, little valuable time was lost in the organizing and conducting of the many gymnastic activities. Seniors able to complete all of the necessary leadership requirements will be awarded leadership pins and the Junior-Sophomore group will be awarded leadership letters. Freshmen girls on the Corps are probationary members.

GIRLS' ARCHERY

Seated C. Fancher, M. Cook, S. Fitzgerald, E. Peterson, B. Hamilton.
Standing: G. Day, C. Vandenberg, J. Vandenberg.

Of the large percentage of high school girls that are interested in archery, only the above group were able to score the necessary points to earn the New York State Physical Fitness Merit Award in Archery. The Sophomore class won first place in the Intramural (Interclass) archery tournament with the Freshmen a close second place.

GIRLS BASKETBALL CHAMPIONS

Seated: S. Fitzgerald, B. Tuchols, N. Clute, P. Oberlander.
Standing: E. Jamison, S. Hamilton, J. Vandenberg, W. Fisher.

The Sophomore, co-captained by Nancy Clute and Betty Tuchols, swept aside all opposition to win handily the championship of the girls interclass league. An All-Star aggregation, made up of star players from the other three high school classes, took the measure of the Sophomores in a post-league tilt by a score of twenty-three to nineteen.
